### OFFICE OF THE PRESIDENT

JSPS Alumni Association of the Philippines Office (JAAP)

Department of Science and Technology

Bicutan, Taguig City

Hello everyone:

I have the honor and the pleasure to inform all of you that we have already launched the BRIDGE Fellowship Program of the Japan Society for the Promotion of Science (JSPS) for 2016 which will enable researchers who are members of the JAAP and previous recipients of the JSPS Scholarship and support (whether for short term or long term including Ronpaku) to visit Japan and meet and work with Japanese scientists in eminent Japanese institutions for a short period. We encourage you to apply or disseminate this information to friends and colleagues who may be interested in applying.

I am enclosing the Bridge Fellowship brochure which will give you more information about the fellowship as well as the Application Forms (Forms A and B) that have to be filled up and submitted to us together with the other documentary requirements.

Please note that the deadline for applications in the Philippines is February 28, 2016.

Please do not send the applications directly to JSPS Main Office. The applications should be sent to the JAAP Office in the Philippines through this email address ([martinezgerlie.pchrd.dost@gmail.com](mailto:martinezgerlie.pchrd.dost@gmail.com)). The JAAP secretariat will acknowledge receipt of the application once they are received.

I look forward to your application. Thank you very much.

  
Jaime C. Montoya, MD, MSc, PhD  
President

JSPS Alumni Association of the Philippines (JAAP)
